

A scenic landscape featuring a paved road winding through a lush green forest. In the background, a large body of water is visible under a clear blue sky. Two cyclists are riding on the road; one is in the foreground wearing a blue shirt and a white helmet, and another is further back. The image is overlaid with large, stylized red and orange curved shapes. The text 'DESTINATION Beauce' is prominently displayed in the center.

DESTINATION Beauce

What to do in Beauce - Summer/Fall

LA BEAUCE

Both in summer or winter, Beauce can brag to have natural treasures to discover and irresistible attractions that are worth the detour. Whether you want to treat yourself to an entertaining family outing, treat yourself to an unusual moment with friends, share a quiet romantic activity close to home, we have everything you need in Beauce! Take advantage of your getaway to get to know or reacquaint yourself with great local businesses that are just waiting to impress you with their typically Beauceron authenticity.

OUTDOORS

DB

140 km of our most beautiful landscapes!

Discover our 12 must-see attractions along the Route de la Beauce to experience the 12 Beauce's Miracles!

You can thus combine your visits on the Route with stories inspired by historical facts, legends and regional culture. Discover the beaucerons in a different light and let yourself be surprised by our fun facilities for everyone!

Whether for a quick stop or a complete visit, take the Route to immerse yourself in the Beauce area!

CYCLE ROUTE

From Scott to Saint-Georges

Follow the current of the Chaudière River!

Exploring our region by bike is certainly one of the essential excursions you will want to take to discover the full range of Beauce's colors!

The cycle route runs along our legendary Chaudière River, offering panoramic views, amazing heritage sites and inviting tourist attractions along 146 kilometers of bike paths. Perfect for all your family, the track connects the village hearts with its quality facilities, giving you a truly unique experience.

DOMAINE TASCHEREAU - PARC NATURE

Sainte-Marie

The Central Park of Sainte-Marie!

In Beauce, we are truly unique! By visiting Sainte-Marie, you will just be amazed to find the most flooding park in Quebec in the middle of the city...

This eco-refuge is one of the 12 must-sees to discover on the Route de la Beauce. Go there to walk along its footbridges, observe several species of birds, picnic from the top of its pavilion with a splendid view of the marsh and discover the history of the flooding of the waters which whom we live with since hundreds of years. You will be impressed!

PARC DES RAPIDES DU DIABLE

Beauceville

A proximity to the river!

Go to the Parc des Rapides du Diable, one of the 12 places that hosts our Miracles on the Route de la Beauce. There, it is not the devil that you will encounter, but a great little corner of paradise for a stopover in the heart of nature.

As a couple or in a group, take out your picnic basket and settle down in front of the spectacle offered by the Chaudière River and the rapids crossed by large rocks. Walk in the forest and learn more about the history of this park by doing a bit of reading on the thematic panels.

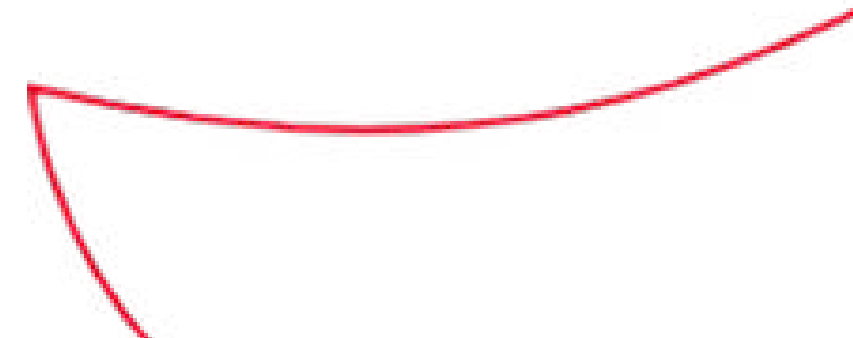

PARC DES SEPT-CHUTES

Saint-Georges

Walking trails close to the city!

Seven waterfalls. Two hundred years old enormous pines. Picnic areas. 25-meter-high footbridge. Footpaths and game modules. It is not surprising that the Parc des Sept-Chutes is one of the 12 places of the Beauceron Miracles! This is what Saint-Georges is called the classic of classics to visit.

Your whole family will love this place of fun in the forest. Take up the challenge of a game of basketball or take a dip in its swimming pool to cool off. But don't miss it!

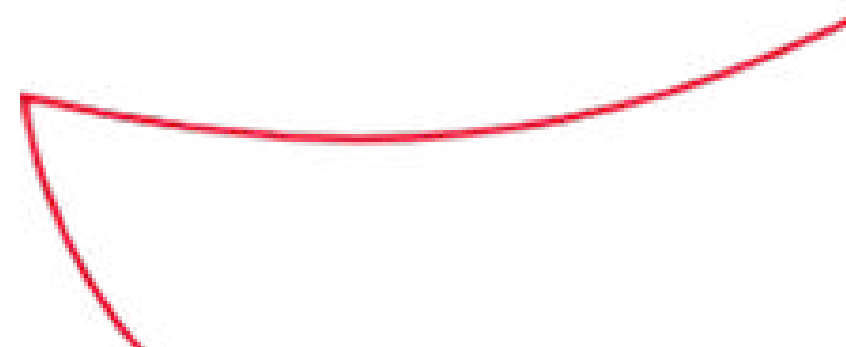

BEAUCE ART

Saint-Georges

Art in all its glory!

Creating an open-air museum in the city center of Saint-Georges? Only Beauce Art can meet this challenge! Walk along the Chaudière River during your stay with us and discover over the course of your walk hundred sculptures by artists from all over the world who have come to exhibit in the open air in our splendid region.

Linger over all these majestic creations and learn more about their origin by looking at each interpretive panel. A truly charming tourist attraction, which once again bears witness to our Beauceron originality!

ÉGLISE SAINT-PAUL DE CUMBERLAND ET JARDIN HARBOTTLE

Saint-Simon-les-Mines

Cradle of Anglo-Saxon culture!

Still standing and really well preserved, l'Église St-Paul de Cumberland is the oldest stone church in Beauce. Let yourself be enchanted by its magnificent cachet during your visit to Saint-Simon-les-Mines.

Enter and discover its original furnishings, which breathe the history of the communities of English Anglicans and Irish Catholics who shared it on the lands of Cumberland in 1782. Attend its musical performances on Sundays. Take some fresh air in the adjacent Harbottle garden with its many colors and smells. You will love picnicking, walking and capturing this beautiful moment of peace with your camera.

AGROTOURISM

DB

FRAMPTON BRASSE

Frampton

Discover the world of beauceron beer!

As a super nice spot to try with friends, Frampton Brasse is among the coolest. The brewing farm serves its beers indoors and outdoors on its large terrace, which makes it a place to relax, open all year round.

Not only will you appreciate its products whose reputation goes beyond borders, but you will love the view it gives you of the top of the Beauce mountains. You will also like to share the tasting tray which gives you just enough to taste the thirst-quenching quality of the beverages.

LE VERGER À TI-PAUL

Saint-Elzéar

Pie and cider house!

Text your friend and treat yourself to a really cool outing at the Verger à Ti-Paul! While you chat around a cider tasting platter, your children will have a blast jumping in the inflatable game or petting the farmhouse animals.

With the whole gang, take the little train to pick your own raspberries, blueberries, apples, pears and pumpkins, which grow in abundance depending on the season. Share a good meal out of the smokehouse, celebrate on the terrace to the sound of the singer and end it by stocking up on homemade products.

BLEUETIÈRE MARLAND

Sainte-Marie

Wood-fired pizza!

Have you ever eaten Neapolitan pizza cooked in a wood oven in a blueberry farm that also has an ice cream stand and a children's play area? You will quickly understand that Bleuetière Marland has become a must here in summer!

Its creamery is amazing with its homemade berry coulis. And what about its splendid two-story terrace where taking a seat is a real pleasure? The view of the fields will amaze you. And what you eat there will make you want to come back for sure!

BLEUETIÈRE GOULET

Saint-Frédéric

Blueberries in all their forms!

In Beauce, we have our own blueberry kingdom! Did you know? In the municipality of Saint-Frédéric, the Bleuetière Goulet has something to delight you. Take a moment to pick blueberries in the summer and pumpkins and apples in the fall through the Beauce landscapes.

Your little ones will have a lot of fun in the giant play module and the huge sandbox. You'll drool with its homemade pizza and its comforting menu. You can even leave with its vinaigrettes, jams and its maple gin, much appreciated locals!

FROMAGERIE PÉPITE D'OR

Saint-Georges

From the producer to your table!

By biting into the cheeses of La Pépité d'Or, you will find that Beauce products are a real gold mine! Through the shop, you will discover a wide variety of small pots and local gourmet items.

11 flavors of cheese will be spread out, all equally delicious. Take them to take away on a tray: ideal for snacking during your gatherings. You can also find them mixed with fries and La Poutine d'Or poutine sauce from the same owners. In summer, let yourself be tempted by a soft cream at the dairy bar. Will the raspberry one be your favorite too?

MUSEUMS

DB

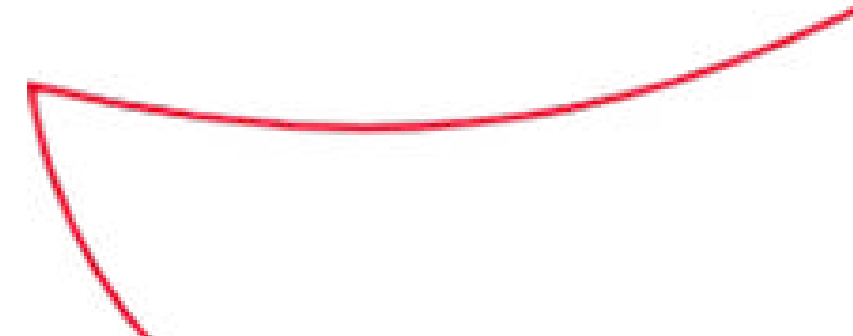

MUSÉE MARIUS-BARBEAU

Saint-Joseph-de-Beauce

Where beauceron culture is told!

They say that it is at the Marius-Barbeau Museum that the Beaucerons tell their stories... Do you want to hear them? The cultural place held in a magnificent heritage building is one of the 12 must-sees Miracles to discover on the Route de la Beauce.

Stimulate your curiosity in front of contemporary art exhibitions and temporary exhibitions. Or take part in the creative workshops offered to the population. One thing is certain: you will leave with a better idea of the history behind the Beauceron people. Discover it with your family and in a group by reservation.

MAISON J.-A. VACHON

Sainte-Marie

The taste of Beauce!

At Maison J.-A. Vachon, it's really a piece of cake to discover an important part of our Beauce culture! Indeed, the house that serves as a museum has seen the birth of the famous Vachon cakes, these sweet delicacies so appreciated by Quebecers.

During your visit, you will learn how Rose-Anna Vachon and her family, of modest origins, were able to show creativity to launch this company which still turns today. On the Route de la Beauce, among the 12 essential Miracles, the house is really worth the detour. Come with your family: you will enjoy yourself!

MUSÉE FERROVIAIRE DE BEAUCE

Vallée-Jonction

A journey through time!

To get out of your daily routine, what could be better than visiting one of the 12 Beauceron Miracles must-sees that litter the Route de la Beauce? Next stop: Vallée-Jonction heading towards our Railway Museum!

It is in fact the century-old heritage station that will welcome you to teach you the history of the Québec Central railway, which played an important role in the development of the municipality. Young and old alike will be amazed by the locomotives, wagons and railway artefacts on display. Let yourself be guided to discover a part of our Beauceron past!

MUSÉE DE L'AVIATION

Sainte-Marie

Take off to inspiring stories!

Take the Route de la Beauce with the family and stop off at the Aviation Museum, a must-see in the Beauceron Miracles. Accompanied by a guide, you will discover the history of the pioneers of civil aviation, 7 of whom are from Sainte-Marie. Did you know? The Major Dupuis Museum, meanwhile, will tell you about the Second World War as experienced by the Mariverans.

On site, vintage airplane models, rare objects and eccentric anecdotes will make you say "wow! ".

LE FORGERON D'OR

Sainte-Marie

Generosity and passion!

As a jewelry store like no other, Le Forgeron D'or wins the prize! At all times, visit the place freely and for free. The Grenier-Goujon family will charm you with their warm welcome and contagious passion.

Take a look at the jewelry created by the hands of these friendly people and watch them in action. The melting of gold. The handling of diamonds. We tell you, it's impressive! Learn more about their art with the museum area where precious stones and the gold rush are in the spotlight. A little cocoon has even been thought of to occupy your minis while you visit.

SURPRISING ACTIVITIES

DB

MILLER ZOO

Frampton

The must see in Beauce!

Give your little monkeys the chance to make their dream come true: visit Miller Zoo, THE zoo they saw on TV! Yes, it is in Beauce that we welcome this essential place really not like the others.

Once you arrive in Frampton, you will be amazed by the immensity of the site and above all, by the proximity you will have with the animals. You will understand the company's vision of education, respect and rehabilitation by listening to the guides tell you about their passion. Travel through the Exotic Zone. Go to the wild reserve. Go through the terrace. And don't forget the souvenir shop!
