You can thus combine your visits on the Route with stories inspired by historical facts, legends, and regional culture. Discover the Beaucerons in a different light and let yourself be surprised by our fun facilities for everyone!

Whether for a quick stop or a complete visit, take the Route to immerse yourself in the Beauce area!

## CYCLING ROUTE

**From Scott to Saint-Georges**

### **Behold the current of the Chaudière River!**

Exploring our region by bike is certainly one of the essential excursions you will want to take to discover the full range of Beauce's colours!

The cycling route runs along our legendary Chaudière River, offering panoramic views, amazing heritage sites and inviting tourist attractions along 146 kilometers of bike paths. Perfect for the whole family. The trail connects to the heart of each village. In addition, you will benefit from its quality facilities along your way- a truly unique experience!

# DOMAINE TASCHEREAU - PARC NATURE

**750, Notre-Dame N, Sainte-Marie**

## **The Central Park of Sainte-Marie!**

In Beauce, we are truly unique! You will be amazed to find, right in the middle of the City of Sainte-Marie, the most flooded park in the Province of Québec!

This eco-refuge is one of the twelve must-see destinations along the Route de la Beauce. Go there to walk along its footbridges, observe several species of birds, picnic from the top of the pavilion with a splendid view of the marsh. Learn about the history of the many floods, which we have learned to live with for hundreds of years. You will be impressed!

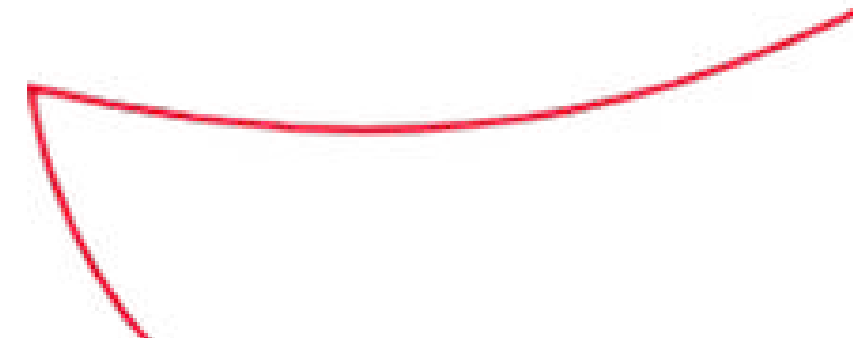

# PARC DES RAPIDES DU DIABLE

**749, route 173, Beauceville**

## **A proximity to the river!**

Go to the Parc des Rapides du Diable, another one of the twelve places that hosts our Miracles on the Route de la Beauce. Don't worry, you won't encounter the devil! However, you will find a little corner of paradise--perfect for a stopover in the heart of nature.

As a couple or in a group, bring your picnic basket and settle down in front of the spectacle offered by the Chaudière River with its rapids tumbling through the large rocks. Stroll through the forest and learn more about the history of this park by reading the interpretive panels along your way.

# SITE HISTORIQUE DE CUMBERLAND

**516, route Taylor, Saint-Simon-les-Mines**

## **Cradle of Anglo-Saxon culture!**

Still standing and extremely well preserved, l'Église St-Paul de Cumberland is the oldest stone church in Beauce. Let yourself be enchanted by its magnificent cachet during your visit to Saint-Simon-les-Mines.

Enter and discover its original furnishings that breathe the history of the communities of English Anglicans and Irish Catholics who shared it on the lands of Cumberland in 1782. Attend the musical performances on Sundays. Take in the fresh air in the adjacent Harbottle Garden with its many colours and fragrances. You will love picnicking, walking, and capturing the beauty of this peaceful moment with your camera.

# PARC DES SEPT-CHUTES

**1590, 49 rue N, Saint-Georges**

## **Walking trails close to the city!**

Seven waterfalls! Enormous two-hundred-year-old pines! A twenty-five-meter-high footbridge! Picnic areas, footpaths and outdoor game stations. It is no surprise that the Parc des Sept-Chutes is one of the Twelve Beauceron Miracles! This is why Saint-Georges is called "The Classic" of classics.

Your whole family will adore this place of amusement in the forest. Take up the challenge of a game of basketball, or take a dip in the swimming pool to cool off. An experience not to be missed!

# BEAUCE ART

**Saint-Georges**

## **Art in all its glory!**

Creating an open-air museum in the city center of Saint-Georges? Only Beauce Art can meet this challenge! Walk along the Chaudière River during your stay with us and discover over a hundred sculptures by artists from all over the world who have come to exhibit in the open air in our splendid region.

Linger over all these majestic creations and learn more about their origins by looking at each interpretive panel. A truly charming tourist attraction, which once again bears witness to our Beauceron originality!
